The Sportsmanship Pledge

Signing this pledge is a condition of your participation in the 2017 Boys & Girls Club of Bloomfield, NM Volleyball League.

Kids need to know that if they're trying their best, they are winners. Parents need to remember that their kids will not be great at everything. Recognizing that, parents can help most by relaxing and enjoying these fleeting years.

Placing too much pressure on kids to perform well creates stress that can detract from their fun and their performance and can affect their self-esteem. Instructions shouted to players are distracting, usually too late, and sometimes inaccurate or in conflict with what the coach is teaching.

My Pledge to Set A Good Example

Whether I am a player or an adult, I will not be loud or negative towards players, referees, coaches or spectators. As an adult, I should know that failing to show respect for people who are doing the best they can sets a bad example for our children and can result in expulsion from the venue and additional consequences. If someone else makes an inappropriate comment, I will not make a negative response that could lead to a confrontation. As a player, I should control my negative emotions to avoid embarrassing myself and my team, risking ejection, and hurting my team's chances of winning. And I should realize that my behavior influences younger players. As a parent, I will remember that the game is for children and not for adults.

Coaches and parents should remember that encouragement and praise for every child, not just the best athletes, are critically important to their self-esteem and their ability to achieve the most they can. As a coach or parent I will do my very best to make youth sports fun for everyone.

I recognize that *striving* to win, rather than winning itself is what is important in life. Striving to win means doing the best you can. I will remember to be a good sport regardless of whether my team wins or loses. I understand that lessons are learned whether we win or lose.

I recognize that players must get adequate playing time to improve and gain the confidence that helps them do the best they can. Participation is what makes it fun. I acknowledge that this is more important than winning games. If coaches feel that their team lost simply because a player of lesser ability received appropriate playing time, they did the right thing.

I acknowledge that making mistakes and losing are part of life. We all suffer setbacks. I pledge that I will be tolerant of the mistakes of players, coaches, referees, and others. I recognize that mistakes are opportunities for learning.

I recognize that within the parameters of competition, sportsmanship and fair play are paramount. I pledge that I will commit to promoting an atmosphere of healthy competition to ensure fun for all participants. I will show respect for my coach, teammates, officials, and my opponents at every game. I will pay attention to my coach and not waste time by misbehaving during practice. I will do my very best to listen and learn from my coach's. I pledge to do my best in school.

I acknowledge that this Sportsmanship Pledge MUST be signed and returned to my coach prior to the start of our first game. Failure to sign and / or comply with this pledge will result in suspension from the program. Parents / Spectators that fail to comply with this sportsmanship pledge will be required to leave the premises.

I further acknowledge that I will make my guests (family members, friends, etc.) aware of the sportsmanship pledge and that I will be held responsible for their actions should they violate the sportsmanship pledge.
