## BOYS & GIRLS CLUB OF BLOOMFIELD, NM

### FOR PARENTS AND MEMBERS OF THE BOYS & GIRLS CLUB OF BLOOMFIELD, NM

#### **Our Mission**

*To inspire and enable all youth, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible, and caring citizens.*

All young people, regardless of gender, race, religion, ethnicity, socioeconomic or cultural backgrounds, are welcome to become members of the Club and to participate in programs that interest them and enhance their ability to become well rounded and contributing citizens to the communities in which they live.

#### **Our program is based on a youth development strategy which fosters growth in the following areas:**

- *A sense of competence* – the feeling there is something boys and girls can do well.
- *A sense of usefulness* – the opportunity to do something of value for other people.
- *A sense of belonging* – a setting where an individual knows he or she has a place where he or she “fits” and is accepted.
- *A sense of power of influence* – a chance to be heard and to influence decisions.

When this strategy is fully implemented, the self-esteem of girls and boys is enhanced and an environment is created which helps them achieve their full potential.

#### **Providing a Core Program**

The Core Program is based on the physical, emotional, cultural and social needs, and interests of boys and girls, while recognizing developmental principles. The Club offers diversified program activities in the following five areas:

**Character and Leadership Development** – empowers youth to support and influence the Club and community, sustain meaningful relationships with others, develop a positive self-image, participate in the democratic process and respect their own and other’s cultural identities.

**Education and Career Development** – enables youth to become proficient in basic education disciplines, apply learning to everyday situations, and embrace technology to achieve success in a career.

**Health and Life Skills** – develops young people’s capacity to engage in positive behaviors that nurture their own well-being, set personal goals, and live successfully as self-sufficient adults.

**The Arts** – Enable youth to develop their creativity and cultural awareness through knowledge and appreciation of visual arts, crafts, performing arts, and creative writing.

**Sports, Fitness, and Recreation** – develops fitness, positive use of leisure time, skills for stress management, appreciation for the environment, and social skills.

#### **Boys & Girls Clubs...**

1. Are for boys and girls of all races, religions, and cultures. They satisfy the age-old desire of young people to have a “club” of their own.
2. Have full-time professional leadership, supplemented by part-time workers and volunteers.
3. Require no proof of good character. They help and guide girls and boys who may be in danger of acquiring, or who already have acquired, unacceptable habits and attitudes as well as those of good character.
4. Make sure that all girls and boys can afford to belong and no one is deterred from joining.
5. Are building-centered. Activities are conducted in the warm, friendly atmosphere of facilities especially designed for youth programs.
6. Have an open-door policy. Clubs are open to all members at any time during hours of operation.
7. Have varied and diversified programs that recognizes and responds to the collective and individual needs of girls and boys.
8. Are guidance-oriented. Clubs emphasize values inherent in the relationships between young people, their peers, and adult leaders. They help boys and girls make appropriate and satisfying choices.

However, it is Club policy that if a member leaves, he/she will not be permitted to return until the following day. (EXCEPTIONS: sporting and special events outside of regular club hours). For the safety of your child, we require a written letter on file if you choose to allow your child to leave without contacting a parent/ guardian and/ or if your child is permitted to walk home each evening.

If a child under the age of 12 wishes to leave the club, the staff will request that they call and get verbal authorization from a parent.

If you, as the parent/guardian of a member of BGCB do not wish for your child to leave the premises without you or without your explicit permission – you must make that clear to your child. Club staff cannot prohibit youth from leaving the premises if they desire to do so. However, Club staff will do everything within their power to keep your child at the club and/ or make every effort to contact you should your child choose to leave the premises.

### **Dress Code Policy**

Members are asked to dress in accordance with the Bloomfield School District's Dress Code. Any member that is wearing provocative clothing and/or clothing containing any violence, drugs, or gang related paraphernalia will be asked to wear alternate clothing. Furthermore, any clothing that is deemed inappropriate by club staff will not be allowed. If no alternative clothing is available the member will be required to leave the premises.

### **Transportation Policy**

Due to rising costs for transportation (fuel, repairs/maintenance on buses, driver fees) the Bloomfield Bus Barn has begun to limit bus space. Seating on buses **MUST** be reserved for the entire length of registration with the Boys & Girls Club of Bloomfield regardless of the days your child(ren) will utilize Bloomfield Transportation from Bloomfield Schools to the Boys & Girls Club of Bloomfield. Transportation permission lists are updated once per week and therefore it may take up to a week for your child to be eligible to ride the bus after your registration has been completed. The bus permission list is filled on a first come first serve basis. However, please understand that priority on the transportation list is given to those members that will be attending the Club on a regular basis. Members that do not utilize bus transportation to the Club on a daily basis will be given a lower priority on the transportation list and therefore may be "bumped" to accommodate members that attend more frequently. Once the list is full, parents will be required to provide transportation for their child(ren). **Please understand that bus transportation is a privilege that Bloomfield Transportation is providing to you and your family and that without it the Club would be unable to transport your child(ren) to the Club each day after school.**

Club staff is not permitted to transport any members in their personal cars. It is the parents/guardian's responsibility to arrange transportation from the club in accordance with our clubs hours. If your child is not enrolled in the Bloomfield School District and/or it is not an official school day, it is the parent/guardian's sole responsibility to transport their child to and from the BGCB. The BGCB does however; provide transportation to and from field trips unless otherwise noted.

Member property such as backpacks, jackets and coats must be labeled with the members first and last name. We suggest that all members mark their personal property with very distinguishing markings. The BGCB does not provide a secure locked area for member property. Club staff will not be responsible for holding onto personal property including money. The Club has a lost and found where all lost items will be taken. On the fifteenth of every month all unclaimed items and any item without a name on it will be donated to the Salvation Army. Members are not allowed to trade or sell personal property while on Club property or at any club sponsored activity. Trading cards (yu-gi-oh, pokémon, etc.) are not allowed at the club. Depending on the severity of the incident a parent note may be sent home in addition to attempted contact. If necessary, proper medical services will be called and the member will be transported to the hospital. Every attempt will be made to contact the parent/guardian when and if medical services are called.
